

ENGAGEMENT

FEEDBACK

KEY INTERESTS

BUSINESS ASSOCIATIONS

- Active member of 89 business associations, including associations both at the international and local level and trade and industry associations.
- In particular, the parent company participates in 29 associations, including: ANIMP (Associazione Nazionale di Impiantistica Industriale - Italian Association of Industrial Plant engineering), Assomineraria, IADC (International Association of Drilling Contractors), IMCA (International Maritime Contractors Association), IPLOCA (International Pipeline & Offshore Contractors Association), UN Global Compact, and WEC (World Energy Council - Italy).
- Around €1 million in membership fees paid.
- 5 business association representatives involved in Saipem's Materiality Assessment.

Both global and local business associations engaged in Saipem's Materiality Assessment highlighted the attention to environmental protection issues, development and safety of people, importance of business integrity and support for the local community within Saipem's operations.

- Anti-corruption and ethical business practices;
- Community Investments;
- People safety;
- Training and development;
- Climate change prevention;
- GHG emissions;
- Waste generation.

APPROACH

- Active participation in and support for numerous international and local associations, contributing to sharing best practices within Saipem's business sectors.
- Contributions to strengthening Saipem's role in its industries and its relations with other stakeholders (i.e. clients, local stakeholders, etc.).
